

EURES ITALY is pleased to invite you at the European Online Jobday:

ICT & TECHNOLOGY - AUSTRIA IS CALLING TOGETHER WITH CROATIA, ITALY, SLOVAKIA AND SLOVENIA

Are you looking for a job in the ICT and technology sector? Do you want to increase your chances on the labour market? Register now to participate at the 'European Online Job Days'! Austrian companies from Carinthia, Salzburg, Styria, Tyrol and Vorarlberg offer interesting job vacancies under the EURES quality seal.

Log in at <https://www.europeanjobdays.eu/en/austria-is-calling-2022> and find suitable job vacancies for you!

When? 7th July 2022, from 11:00 until 15:00 CEST

Who is able to participate?

Citizens of EURES member states (EU, EEA and Switzerland) can work in another EURES member state without having to apply for a work permit.

The European Online Job Days are designed for all of these citizens of the European Union, the EEA-States and Switzerland. Within this event different job vacancies in the ICT & technology sector will be offered and published.

What do you need to participate?

- a computer, laptop, tablet or smartphone, ideally with microphone and camera,
- connection to the internet,
- a place, where you can participate without any disturbance, where you can upload your application, conduct job interviews and participate in video calls.

How do you participate?

Register with the following link:

<https://www.europeanjobdays.eu/en/austria-is-calling-2022>

You will be able to gain insights to many local companies and their job offers via the live stream video. It will be possible to ask questions in a public or a private chat.

Moreover you can apply for the published jobs and participate in job interviews.

Register to have an advantage!

Your advantages when registering:

- browse through all published job vacancies in advance, even weeks before the event
- prepare your application and upload it in advance to attract employers' interest,
- apply for suitable jobs and arrange online job interviews,
- read the event program and inform yourself about the employers offering their job vacancies.

Advantages of the European Online Job Days!

With your registration you will receive:

- personal access (EURES-account) for all further European Online Job Days completely free of charge,
- the possibility of importing your curriculum vitae from the EURES-Mobility-Portal: ec.europa.eu/eures/public/en/homepage
- the opportunity to apply and take part in the automatic matching with the available job vacancies with your application profile,
- the certainty that all employers comply with the EURES quality standards.

Take advantage of these opportunities and be part of it!

Supported by the European job network EURES, the European Commission and the European Labour Authority.

We look forward to meeting you online!
